Dylan Baker

Full Stack Web Developer | Front End Software Engineer
Mission, KS | 816-868-9179 | dylanmbaker@yahoo.com
GitHub: dbvker | LinkedIn: dylanmbaker | Portfolio: dylanbakerdev.com

TECHNICAL SKILLS

Frontend: JavaScript/TypeScript, HTML, CSS, React, Redux, Hooks, Jest, Styled Components, SASS
Backend: Node.js, Express, SQL, PostgreSQL, MongoDB, JWT, Python, ASP.NET, Web API
Languages: JavaScript/TypeScript, HTML, CSS, C#, Python

PROJECTS

Task App   GitHub | Website
React | Netlify | Heroku | CRUD | JSON Web Tokens | PostgreSQL | Express
- Developed a React application utilizing Node.js to seamlessly retrieve data from the backend and enable storage, tracking, and real-time updates of confidential recipes.
- Implemented robust security measures by employing bcrypt.js for data encryption and ensured secure authentication through the utilization of JSON Web Tokens (JWT).

Restaurant Menu   GitHub | Website
React | Netlify
- Created a compelling demonstration of a restaurant menu to showcase my proficiency in data extraction and mapping.
- Utilized data analysis to curate essential elements for a restaurant's menu, including restaurant information and a diverse selection of courses/food items.

CoderHeros   GitHub | Website
React | API | Axios | CRUD | Node.JS | Redux | SASS
- Developed and optimized the site's login flow and enhanced the overall user experience.
- Worked collaboratively within a team to develop a coding application specifically tailored for minority youth in the Chicago Area.

EXPERIENCE

Nex-Tech Wireless, *Remote - Web Developer*   Aug 2022 - Present
- Collaborated with a team of developers to achieve significant enhancements to internal employee sites by leveraging React and JavaScript.
- Collaborated with backend developers to ensure accurate presentation of relevant user data obtained through endpoints.

Firebirds Wood Fired Grill, *Overland Park, KS - Server*   Mar 2021 - Present
- Provided exceptional service as a server in a fine dining restaurant, ensuring seamless dining experiences by delivering impeccable customer care and demonstrating extensive knowledge of menu items.

Shocker Pools, *Wichita, KS - Pool Technician / Service Manager*   Mar 2014 - Oct 2020
- Managed the upkeep of swimming pools by meticulously maintaining cleanliness and safety through regular cleaning and testing of water chemical levels.
- Successfully oversaw a portfolio of 50 swimming pool contracts on a weekly basis, resulting in a notable 25% growth in referral sales.
